Inspired by "Comedy Tonight" from *A Funny Thing Happened on the Way to the Forum*

**Music and Lyrics by Stephen Sondheim**

**Additional Lyrics by David Daniel**

Something familiar,  
Something peculiar,  
Something for everyone:  
A comedy tonight!

Nothing too weighty,  
Nothing too stately,  
Bring on the revelry,  
Comedy tonight!

No tragedies brooding,  
Only laughter intruding,  
Mischief and mayhem,  
Comedy tonight!

Farce and buffoonery,  
Witty repartee,  
Naughty nudgery,  
Comedy tonight!

Slapstick and folly,  
Puns to make you jolly,  
Tomfoolery and hijinks,  
Comedy tonight!

Rooftop escapades,  
Mismatched serenades,  
Whimsy and joy,  
Comedy tonight!

So leave your cares behind you,  
We're here to provide you  
Loads of laughs.  
Comedy tonight!
