FOREWORD

Winter Words is one of our favorite off-season traditions. These play readings help fill the void between seasons, and allows us to delve into plays that are new to APT stages. While the series looks different in 2021, it is no less important to APT's mission. In fact, in a year like we've had, it feels even more vital. Each year, we look forward to exploring a new crop of plays with you; to hearing our incredible artists breathe life into these stories. We love the conversations these evenings spark. We love how those conversations continue through the weeks and months to follow. Eventually, we know this bond we've forged together, around our love of language and story, will lead us back to the grounds of APT, live and in person. But for now, we are grateful for this virtual time together. Thank you for sticking with us, for supporting us, for inspiring us.

Welcome to our 7th Season of Winter Words. We are glad you are here.
